

What to Wear to the Meeting

How to Look & Feel Your Best at the Meeting

What do I wear while travelling?

Wear comfortable clothing that you can sit, stand, and move around in for a long period of time.

What is business casual?

Although there is no set dress code for the meeting, your best bet is to go business casual for conference sessions and your headshot photo. **Do not feel like you need to buy anything for the meeting; you can make something work from things you have already.**

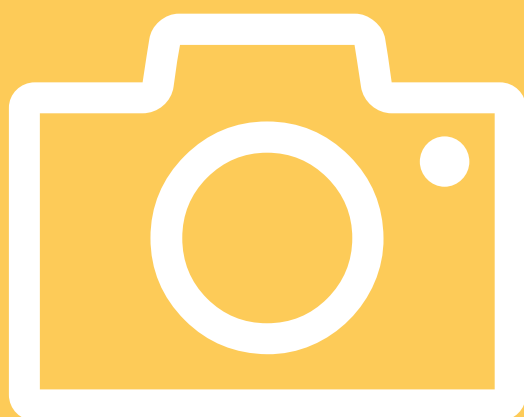

Can you give me some examples?

Some examples include dress pants, slacks, knee-length skirts, dark jeans without holes, button down shirts, sweaters, blouses, and polo shirts. We also recommend close toed shoes like loafers, pumps, or flats. A blazer is optional.

What is the headshot photo at the meeting? What do I use it for?

Headshots are a wonderful opportunity to spruce up your LinkedIn Profile! They are a professional photo of you that you will need as you start your career. We recommend wearing solid colors with no writing on them. A suit jacket is optional.
