

Navigating the 2026 S-STEM Scholars & PI Meeting: STEM Connections Night

Discover Professional Societies, AAAS Programs & STEM Organizations during the 2026 S-STEM Scholars & PI Meeting. During STEM Connections Night, attendees will have the opportunity to meet representatives from and learn more about a variety of professional societies, including AAAS.

What is STEM Connections Night?

This event will help to kick off the first night of the meeting! More than 30 STEM professional societies will be represented to provide information about professional development opportunities and resources for a wide array of disciplines. Discover new career pathways, internships/fellowships, and research experiences.

What Do I Do?

Introduce Yourself

Notice a table that you're interested in? Go up to the exhibitor and share your name, your school and major, and your interests.

Learn About Ways to Engage

Representatives will tell you more about membership, leadership development, and continuing education opportunities. It is a great time to ask questions!

Discover New Experiences

Learn from other attendees from your discipline (scholars & PIs). Find out about their goals and meaningful experiences they've had.

What Organizations Will Be Represented?
